

Biennial Progress Report for Texas Economic Development Act

Economic Development and Analysis Form 50-773-A

INTRODUCTION

- You have been assigned an application number. Please verify this number on the website prior to completing the form. This form will indicate the
 sections you need to complete based on application number.
- This form must be filled out by each applicant that is party to a limitation agreement.
- If the original application was made by a group of two or more companies, each company must complete this form.
- If the original applicant split into two or more applicants after the original agreement, all current agreement holders must complete this form.
- Applicants should only complete the information for their years as an agreement holder, noting what year they were formed after the original agreement was approved.
- Each agreement holder should respond as a current agreement holder in Section 2.
- Applicants should report their proportionate share of required employment and investment information.
- In addition to the Biennial Progress Report required from each applicant that is a party to an agreement, a separate Biennial Progress Report summarizing the combined applicants' data for the entire agreement must be completed.
- If one of the applicants cannot provide this information, a summarization report must be completed by the school district and signed by the superintendent.
- Projects spanning more than one school district must complete forms for each school district.
- Please return signed hard copy forms and electronic spreadsheets to the school district before May 15 of each even-numbered year.

Note:

- The school district that is a party to the Chapter 313 agreement is collecting the data required by Chapter 313.032 on this form for the Comptroller of Public Accounts (CPA).
- The CPA requests companies complete the electronic spreadsheet version of the form. Please submit both an electronic version and a signed hard
 copy version of the spreadsheet (with any attachments) to the district. Please contact CPA if you have questions about the form. The spreadsheet
 version of this form can be downloaded at: www.texasahead.org/tax_programs/chapter313/forms.php.
- After ensuring that all forms are complete, the school district will forward that data to the CPA for inclusion in a statutorily required report to the Texas Legislature.

The CPA requests companies complete the electronic spreadsheet version of the form and submit identical electronic and hard copy versions of the spreadsheef (with any attachments) to the district.

Total investment is all investment at original cost, including land acquired after filing of application. Investments made in a year should be reflected in the subsequent year's market value. Use appraisal values from CAD as available. For future years, use market value that the entity estimates will approximate the market value for ad volorem tax purposes in that year.

This amount is typically the taxable value for the purpose of I&S fund or debt service reserve fund.
